Reserve your sponsorship literature table now at the IEEE Smart Grid Utility Cybersecurity Workshop, which is conveniently being held the day after the NERC CIPC (December 12-13, 2017) meeting in Atlanta, Georgia.

The IEEE SG Utility Cybersecurity Workshop offers a forum where industry leaders, subject matters experts, and practitioners can come together to address the new security challenges facing the power industry.

Sponsors will receive:
- Table to distribute literature
- Name/logo on the banner, website, and program
- Three (3) complimentary registrations

The deadline for sponsorship is November 22, 2017. Please visit sites.ieee.org/ucw for more details. To reserve your table today please contact: Phyllis Caputo at pcaputo@ieee.org
