Reliability **Magazine has launched!**

The first issue will publish in March of 2024, so there is plenty of time to prepare an article for consideration. All content for Reliability (referred articles, editorials, columns, etc.) must be submitted through the new author portal https://ieee.atyponrex.com. All articles will be peer reviewed. Magazine Scope and Author information can be found at: https://rs.ieee.org/publications/reliability-magazine.html. Before submitting any content for consideration or for information about advertising please contact the Editor-in-Chief, Phil Laplante at plaplante@psu.edu.

Phillip A. Laplante, CSDP, PE, PhD
Professor of Software and Systems Engineering
Affiliate Professor of Information Systems and Technology
